TOPIC

Chapter 106, Deer Hunting by Residents: NOIA

---

The Commission is requested to approve this Notice to amend Chapter 106, "Deer Hunting by Residents." This chapter gives the regulations for deer hunting by residents and includes season dates, bag limits, possession limits, shooting hours, areas open to hunting, licensing procedures, means and methods of taking, and transportation and reporting requirements.

The amendments remove 17 counties from the paid November and January antlerless-only seasons and restrict the November antlerless-only licenses to taking antlerless deer on private land. The January-only licenses will go on sale on December 15.

The antlerless-only quotas were increased in 13 counties and reduced in 5 counties. These county antlerless quotas may need to be adjusted after deer population surveys are completed.

The amendments also clarify that statewide paid any-deer licenses may not be used in deer population management zones if prohibited by the rules for the management zone.

The amendments specify that all antlerless from deer taken on shooting permits issued as part of a depredation agreement must be turned over to a conservation officer within 48 hours.
